| - Tinsukia English Academy (CBSE)
Class XII 2017 60% | - OUR ABC Academy (CBSE)
Class X 2015 CGPA: 8.0 |

Technical Skills

- **Languages:** C, Java, C#, JavaScript, TypeScript | **Database:** SQL Server, MySQL, PostgreSQL
- **Frontend:** React, Tailwind CSS, HTML, CSS | **Backend:** ASP.NET Core, REST APIs, Supabase
- **Tools:** Git, GitHub, Vercel, VS Code

Projects

CN POS (Universal POS) – Desktop Point of Sale System

- Developed a desktop POS application using WPF, C#, EF Core and SQLite
- Implemented billing, inventory management, reporting, authentication and role-based access control
- Added CSV/Excel import-export functionality and inventory tracking features.

CoderNoms – Business Website (Team Project)

- Developed and maintained features for a company website using Next.js, React, TypeScript and Tailwind CSS
- Collaborated with team members using GitHub workflows and Vercel deployment pipelines

Online Examination System (MCA Major Project)

- Developed a role-based online examination platform using ASP.NET Core & SQL Server
- Implemented anti-cheat mechanisms including tab-switch detection, full screen enforcement and face-monitoring alerts

Personal Portfolio Website – bikashbaruah.in

- Developed a responsive portfolio website using React, TypeScript and Tailwind CSS
- Integrated contact form using Formspree with real-time toast notifications and deployed on Vercel

Experience

Technical Support Engineer — Prayosha Food Services (Jan 2024 – Aug 2024)

- Resolved POS issues via tickets, calls, log analysis and documented recurring issues

Customer Service Executive — MediaNV (Oct 2022 – Dec 2023)

- Ensured data accuracy and handled reporting for North American dental clinics

Certificates

- **Google AI Essentials** – Coursera (2026): Skilled in AI tools, prompting, and productivity optimization.
- **Google AI Professional Certificate** – Coursera (2026): Applied AI for research, content creation, data analysis, communication and app building using modern AI tools.
